

Utah Weatherization Program Notice

Effective Date 12 July 2013

UWPN # 2013-014

Subject: Attachment #32 Cooling Equipment Policy

Basis: Amendment to Attachment

Purpose: To clarify the State guidance and policy on cooling equipment.

Scope: This change will apply to all work that is not currently in production, future applicants, and clients that are currently on the waiting list. This change deletes the current Attachment 32 – Air Conditioning Policy.

Responsibilities:

Local Agencies –

- Implement new policy and conduct in house training to inform staff of new policy.

State WAP Staff –

- Amend Program Guidelines and publish change to website.
